RE: Notice of Casualty Memorandum of Insurance

This letter serves as notice that AutoZone, Inc. has elected to utilize a Memorandum of Insurance to evidence insurance in lieu of a certificate of insurance.

Insurance obligations to our business partners with whom we have contracted remain unchanged. The attached Memorandum of Insurance is provided to AutoZone's vendors, clients, customers, owners, landlords, landlord's agent(s), landlord's lender(s), ground lessor(s), and any other party who requires insurance as per the terms of a signed contract, lease, and/or agreement. Where contractually required, please refer to non-specific Additional Insured and Waiver of Subrogation status wording contained within the Memorandum of Insurance. This wording applies only to entities where contractually required.

AutoZone will not issue individualized certificates of insurance. The information posted on our website meets our obligations to provide insurance information under the terms of our contracts.

PLEASE NOTE THAT THE TERMS OF OUR SIGNED CONTRACTS DETERMINE OUR FINANCIAL OBLIGATIONS TO COUNTERPARTIES WHETHER INSURANCE IS IN FORCE OR NOT.

Please retain this letter as well as the Memorandum of Insurance as evidence of insurance in conjunction with a signed contract, lease, and/or agreement with AutoZone.
